Promise to Pay: You agree to pay the Seller all you owe under this contract even if the machine is damaged, destroyed or missing. In addition to any type of down payment paid by you at or before the time this contract is signed, you promise to pay all the following to the seller at the indicated times:
- The Amount Financed together with Finance Charges on the unpaid balance of the Amount Financed in the date this contract is signed until it is fully paid. The financed charges will be calculated daily by multiplying the unpaid balance of the Amount Financed times the Annual Percentage Rate divided by 365.366.
- Immediately upon demand, all other amounts expended by and which become payable to the Seller under this contract, including amounts due because of your failure to keep your contract promises, together with Finance Charges ( at the Annual Percentage Rate as described above ) on those amounts until fully paid.
- Immediately upon demand, Finance Charges ( at the Annual Percentage Rate as described above ) on any amounts which remain unpaid after the maturity of this contract.

Contract Disclosures: The disclosures in the Box are based on the assumption that each payment will be made on its due date. Because of this, you actual final payment, Finance Charge, Total of Payments and Total Sale Price for this contract may differ from the amounts shown in the Box. The actual amount will depend upon whether you make your payments on time. Early payments will have the effect of reducing your final payment, while late payments will cause it to be higher. Your promise to pay require you to make your final payment on time even if the amount of this payment, as calculated in the “Promise to Pay” section, is substantially higher than the amount shown in the Box.

Prepayment: You may prepay any portion or all of the indebtedness under this contract at any time without penalty. The Seller any demand that you prepay the contract in full as provided by the Default section.
- If you prepay a portion of the indebtedness, the amount paid will be credited first to any accrued Finance Charges and the remainder to the Amount Financed.
- You understand however, that your monthly installments will still be due as scheduled.
- If you prepay in full, your obligation will be determined, as allowed by law, as of the date the Seller is paid in full, or as of the date the Seller recovers the product’s values through its disposition, or upon entry of a court judgment for what you owe under this contract, or , if the Seller elects to keep the product in satisfaction of what you owe under this contract, as of the date the Seller takes possession of the product.
